Project Details

Brief Description

Cassian were initially employed to prepare a schedule of condition in advance of a lease renewal, this scope was extended to undertake essential repair works to the envelope of the building in advance of entry into a new lease.

The building is a Grade II listed building and was built in the early seventeenth century. It is first recorded as a pub in 1792 and remained so until 1956, when it was converted into offices and occupied by the current tenants.

Services Provided

Landlord Representation and Contract Administrator of the repair works.
